San Francisco Office of Civic Engagement & Immigrant Affairs, Immigrant Rights Commission, and Human Rights Commission Statement on Supreme Court Ruling on Travel Ban

June 26, 2018

We are beyond disappointed that the highest court in the nation has upheld such an egregious violation of religious and human rights. This discrimination against innocent immigrant children, families and individuals is wrong. Might is not right -- we must remember the lessons of the past. The San Francisco Immigrant Rights Commission, Human Rights Commission, and Office of Civic Engagement & Immigrant Affairs continue to hope and work for an equal, just and inclusive America for all.
